NOTICE

Subject: Electrical Grid Power Supply Connection & Backup Electric Supply

This is to inform all students, faculty, and staff that **Guru Nanak College, Jhajra, Dehradun**, ensures the availability of essential utilities on the campus as electric grid power supply and backup electric supply. These services are provided to maintain a safe and comfortable environment for academic and administrative activities.

Details of Utility Services:

Electric Grid Power Supply:

- The college is connected to the local electric grid, ensuring a continuous supply of power during working hours.
- Any disruptions in the supply from the electric grid will be immediately reported, and alternative measures will be taken.

Backup Electric Supply:

- To ensure the uninterrupted functioning of critical systems such as lighting, computer labs, air-conditioning and other essential services, the college is equipped with backup electric generators.
- The backup electric supply will be activated in case of power outages to minimize disruptions to academic and administrative operations.
- Institute also have solar panels installed to provide a reliable backup electricity supply.

Operational Hours:

Electricity supply are available throughout the working hours of the college. In the event of extended power issues, a notice will be circulated to inform all stakeholders.

For Issues or Concerns:

- Any issues regarding the electricity or backup supply should be reported to the college administration immediately.
- Students, faculty, and staff can contact the Maintenance Department at:
Email: maintenance@gnc.edu.in
Phone: 7300777702

We request everyone to use these utilities responsibly and report any concerns promptly so that they can be addressed in a timely manner.
