NOTICE

Dear Students, Faculty, and Staff,

To further our commitment to a cleaner, greener, and sustainable campus, we are pleased to announce the launch of Waste Management and Environmental Improvement Measures at **Guru Nanak College, Jhajra, Dehradun**. These initiatives are designed to enhance our campus environment, reduce our ecological footprint, and promote responsible waste disposal and recycling practices.

Key Measures:

1. Segregation of Waste:

- Bins will be provided for the segregation of dry and wet waste in all departments, hostels, and common areas.
- Please make sure to dispose of waste responsibly by using the designated bins.

2. Recycling Initiatives:

- Collection points for recyclable materials (paper, plastic, glass, etc.) will be set up throughout the campus.
- Encouraging all students and staff to support and participate in recycling programs.

3. Awareness Campaigns:

- Regular workshops and seminars on sustainability, waste reduction, and environmental protection will be conducted.
- Interactive sessions with experts to help students and staff understand their role in maintaining a green campus.

4. Reduction in Single-Use Plastics:

- Efforts will be made to minimize the use of single-use plastics across campus, with alternatives being introduced wherever possible.

5. Green Campus Initiative:

- Tree plantation drives, green spaces development, and landscaping improvements will continue to enrich the aesthetic and environmental quality of our college grounds.

Call to Action:

We encourage everyone to participate actively in these initiatives. Your cooperation is vital in ensuring the success of these measures, which will directly contribute to a cleaner, healthier, and more sustainable campus for all.

Let's work together to make Guru Nanak College a model of environmental responsibility and sustainability.
