

GURU NANAK COLLEGE

Jhajra, Dehradun

(Approved by AICTE, New Delhi, Affiliated to Sri Dev Suman Uttarakhand University)

Ref. No: GNC/PO.0056

Date:09.12.2024

NOTICE

Dear Students, Faculty, and Staff,

We are pleased to inform you that a new Sewage Disposal System has been successfully installed at **Guru Nanak College, Jhajra, Dehradun**, in line with our continuous efforts to maintain a clean, hygienic, and eco-friendly campus. The system is designed to efficiently manage waste water and sewage, ensuring proper treatment and disposal in an environmentally responsible manner.

Key Features of the Sewage Disposal System:

- 1. Connectivity:** All Student's and Teacher's toilets, basins, etc. are connected to the proper sewage disposal system and this is well maintained through an appropriate drainage line.
- 2. Efficient Wastewater Treatment:** The system is designed to treat and recycle wastewater, ensuring minimal environmental impact.
- 3. Safe and Hygienic Disposal:** All sewage is disposed of through an advanced system that adheres to safety and environmental standards, preventing contamination of surrounding areas.
- 4. Sustainability:** The system is equipped with mechanisms to reduce water wastage, further supporting our commitment to sustainability.
- 5. Regular Maintenance:** A dedicated team will ensure the system operates efficiently, with regular checks and maintenance conducted to guarantee its long-term effectiveness.

We request all members of the college community to support and follow any guidelines or instructions related to the proper usage of facilities linked to the sewage disposal system. It is important to avoid any kind of waste that may disrupt the system's function.

Let's work together to keep Guru Nanak College a clean, safe, and sustainable campus.

For any inquiries or concerns, please contact the Maintenance Department at 7300777721.

Thank you for your cooperation.
