NOTICE

Dear Students, Faculty, and Staff,

We are excited to announce the establishment of an Institution-Industry Cell (IIC) at **Guru Nanak College, Jhajra, Dehradun**. This new initiative aims to bridge the gap between academic learning and industry practices, creating numerous opportunities for students and faculty to collaborate with leading industries and organizations.

Objectives of the Institution-Industry Cell:

1. **Industry-Academic Collaboration:** The IIC will foster partnerships between the college and various industries to facilitate knowledge exchange, research collaboration, and skill development programs.
2. **Internship and Placement Opportunities:** The cell will actively work towards securing internships, live projects, and placement opportunities for students, connecting them with industry leaders and professionals.
3. **Skill Enhancement and Workshops:** Workshops, seminars, and guest lectures by industry experts will be organized regularly to enhance students' practical knowledge and employability skills.
4. **Entrepreneurship Development:** The IIC will also support and encourage entrepreneurial ventures by providing guidance, resources, and networking opportunities with industry mentors.

Call to Action:

We encourage all students and faculty to engage with the Institution-Industry Cell and explore the various opportunities it provides. This initiative is a great platform for hands-on learning, career growth, and professional development.

For more details and to participate in upcoming programs, please contact the Institution-Industry Cell contact person.
