Sub: Language Laboratory

We are pleased to inform you that our institute houses a fully functional Language Laboratory with seating for 30 students. Designed to support interactive and effective language learning, the lab features modern tools and software to enhance students' language skills across all areas—listening, speaking, reading, and writing.

Here are some highlights of what the lab offers:

Interactive Language Software: The lab is equipped with dynamic language learning programs that support multiple languages. These include various modules tailored to different aspects of language development.

Individual Workstations: There are 15 dedicated stations, each fitted with a computer and headphones, allowing students to focus on their language practice in a private and distraction-free environment.

Multimedia Library: Students can access a wide selection of language resources, including videos, audio clips, tutorials, and interactive activities to supplement their learning experience.

Recording Tools: Learners can record and playback their own speech to analyze pronunciation and fluency, helping them refine their speaking skills.

Expert Guidance: Skilled language tutors are available to support learners, track progress, and provide personalized assistance as needed.

Training Formats:

- Internet-Based Training (IBT)
- Computer-Based Training (CBT)

Lab Infrastructure Includes:

- High-speed internet-connected computers
- Two 24-port network switches
- 30 quality headsets
- Wordsworth language learning software

The lab is open to all students during scheduled hours. Additionally, we plan to host workshops and special language-learning sessions to further encourage use of this facility.

Sincerely
