BMLT

The Bachelor of Medical Laboratory Technology (BMLT) is an undergraduate program designed to prepare students for a career in the field of medical laboratory science. This program focuses on the principles and practices of laboratory testing, diagnostics, and the management of laboratory operations. BMLT graduates play a crucial role in the healthcare system by providing essential laboratory services that aid in the diagnosis, treatment, and prevention of diseases. The BMLT course duration is three years, followed by an internship that provides real-world experience in clinical settings.

Guru Nanak College is one among the leading Institutions of India, situated in the serene & academically vibrant city of Dehradun, has established itself as a prestigious centre of higher education since its inception under the aegis of NIMS, Dehradun, a leading educational group since 2009. The college has become a top college in the region because of its expertise in studies. It has gained recognition as one of the most prestigious college in Dehradun despite its short history.

About Us

Guru Nanak College's culture is deeply committed to nurturing the development of the next generation of Pharmaceutical professionals, Paramedics, & Nurses. This commitment goes beyond just teaching academic excellence. Through its diverse course offerings, it advocates for the belief that education is a crucial factor in personal & societal advancement.

Guru Nanak College's collaboration with Career Buddy Club (CBC) is a special feature that distinguishes it from other colleges. CBC is a Dubai-Based firm known for its extensive career guidance & mentoring. The college's commitment to career readiness has resulted in a remarkable job placement, rate of up to 100% for graduates due to this partnership. The collaborations with CBC India & CBC Dubai further expand employment possibilities. India Accelerator's partnership exemplifies the college's commitment to developing entrepreneurial talent among students, which can help transform innovative ideas into successful ventures.

Affiliation

The Bachelor of Medical Laboratory Technology (BMLT) program is affiliated with HNB Uttarakhand Medical Education University (HNBUMU) and recognized by the Ministry of Human Resource Development (HRD), Government of India.

Uttarakhand Medical Education
University (HNBUMU)

Jhajra Chakrata Road, Dehradun, Uttarakhand, India - 248007

Career Opportunities

- **Medical Laboratory Technologist:** Perform diagnostic tests and analyses on patient samples, including blood, urine, and tissue, to assist in disease diagnosis and management.
- **Clinical Biochemist:** Specialize in analyzing biochemical components in body fluids, providing critical information for diagnosing and monitoring diseases.
- **Microbiologist:** Conduct tests to identify and analyze microorganisms, playing a key role in infection control and public health.
- **Hematology Technologist:** Focus on blood tests, including complete blood counts and coagulation studies, to diagnose blood disorders.
- **Pathology Assistant:** Assist pathologists in examining tissue samples and preparing reports for diagnosis.
- **Laboratory Manager:** Oversee laboratory operations, including staff management, quality control, and compliance with safety regulations.
- **Research Scientist:** Engage in research and development in laboratory settings, contributing to advancements in medical technology and diagnostics.
- **Quality Assurance Officer:** Ensure that laboratory practices meet regulatory standards and quality control measures.
- **Phlebotomist:** Specialize in drawing blood from patients for laboratory testing, ensuring proper techniques and patient care.
- **Healthcare Consultant:** Provide expertise in laboratory operations, helping healthcare facilities improve efficiency and quality of services.

Research opportunities

- **Diagnostic Test Development:** Investigate and develop new laboratory tests or improve existing methodologies to enhance diagnostic accuracy and efficiency.
- **Quality Control and Assurance:** Research best practices for quality control in laboratory settings, focusing on protocols that ensure the reliability and accuracy of test results.
- **Molecular Diagnostics:** Explore advancements in molecular biology techniques, such as PCR and next-generation sequencing, to improve disease detection and monitoring.
- **Infectious Disease Studies:** Conduct research on the identification and characterization of pathogens, contributing to better understanding and management of infectious diseases.
- **Clinical Biochemistry:** Investigate the biochemical markers associated with various diseases, aiming to identify new biomarkers for early diagnosis and treatment monitoring.
- **Laboratory Management:** Study the impact of laboratory management practices on operational efficiency, staff performance, and patient outcomes.
- **Patient Safety and Care:** Research the effects of laboratory practices on patient safety, including the impact of phlebotomy techniques and sample handling on diagnostic results.
- **Telemedicine and Remote Diagnostics:** Explore the role of telemedicine in laboratory services, assessing the effectiveness of remote diagnostics and patient management.
- **Public Health Research:** Engage in studies that assess the role of laboratory technology in public health initiatives, such as disease surveillance and outbreak response.
- **Education and Training:** Investigate the effectiveness of different educational methods and training programs for laboratory professionals, aiming to improve curriculum design and student outcomes.

POWER DEGREE

Power Degree, by CBC, is a Job Guarantee Program designed to train fresh graduates to the highest industry standards. Through partnerships with leading industry players, we provide job assurance, and this program can be seamlessly integrated with any degree.

- ➔ **Your Gateway to Success:** Join the ranks of our successful graduates who have conquered the job market with a 100% placement rate. Your journey to a secure future begins here.
- ➔ **Tailored to Triumph:** Our program is designed to meet market demands, making you an asset in any industry. Embrace an education that's not just theoretical, but it's transformative.
- ➔ **Invest in Your Future:** Make a decision that counts. With the Job Guarantee Degree Program at CBC, you're not just gaining a degree; you're securing a career.
- ➔ **Ongoing Alumni Assistance:** Beyond graduation, our robust alumni network and career services will guide your continuous growth.
- ➔ **Don't let uncertainty define your journey.** Choose CBC's Job Guarantee Degree Program and carve your path toward a future filled with promise and prosperity.
- ➔ **Explore the Unmatched Benefits of Our Program!**

Eligibility

Bachelor of Medical Lab Technology

BMLT

Eligibility Criteria

Educational Qualification

- Candidates must have completed 10+2 (or equivalent) with Physics, Chemistry, and Biology as compulsory subjects.
- Minimum Marks Requirement
- General category: 50% aggregate marks
- SC/ST category: 45% aggregate marks

For International Students:-

- Candidates who have studied abroad must have an equivalent qualification recognized by the Association of Indian Universities (AIU).
- They must have studied Physics, Chemistry, Biology and English at the 12th standard level.

Age Requirement

- Candidate must have attained the age of 17 years as of the current admission year.

Lateral Entry

(Direct Admission to 2nd Year)

- Candidates who have completed a Diploma in Medical Laboratory Technology (DMLT) after 10+2 (Science) are eligible for lateral entry into the 2nd year.
- The diploma must be from a recognized state/central government university and registered with the concerned State Paramedical Council.

FEE STRUCTURE FOR ACADEMIC SESSION 2026-27
